

The VICTOR VALLEY GEM & MINERAL CLUB was organized in 1947 and has been the focal point of high desert rockhounds for the past 60 years.

The club sponsors a Tailgate Swap Meet in March at the Tailgate Area (map on the reverse side). The club takes active roles in various civic activities.

Membership is open to all persons interested in the gem and mineral hobby and lapidary arts.

Meetings are held at the Clubhouse, located at 15056-B 7th Street (behind Kaman Bearing) in the center of Victorville.

If you are in the area, stop in and visit us at our clubhouse.
