Members of the Victor Valley Gem & Mineral Club invite you and your friends to attend our annual free tailgate and field trip at the Stoddard Mt. collecting site. Here [Verde Antique](#) and [Tri-Colored Marble](#) are easily located. The small "black Jade" site at the top of the hill is a little more elusive.

The Tri-Colored Marble field trip departs a 9:00 am on Saturday. 4 X 4's are required and jeep-pooling is appreciated. The tailgate is open to all Clubs and rock hounds. Everyone is allowed to sell or buy just about anything. Most items for sale or trade are related to gems, minerals, findings and equipment; but you'll never know what might turn up.

**ALL SELLING SPACE IS ON A FIRST COME BASIS. WE DO NOT HOLD SPACE FOR ANYONE.  
NO EXCEPTIONS.**

The Club hosts a soft drink, coffee, and bake sale booth. The Club does request out vendors not to compete with products our Club offers for sale since our bake and drink Club booth is our only revenue source to pay for the public toilet facilities, operating supplies and promotional expenses.

Remember, this is a dry camp area, so bring in your own water and other necessities. The Club will have four 'porta-potties', two of which will be handicap accessible. Supplies are available at the Stoddard Wells I-15 exit just outside of Victorville.

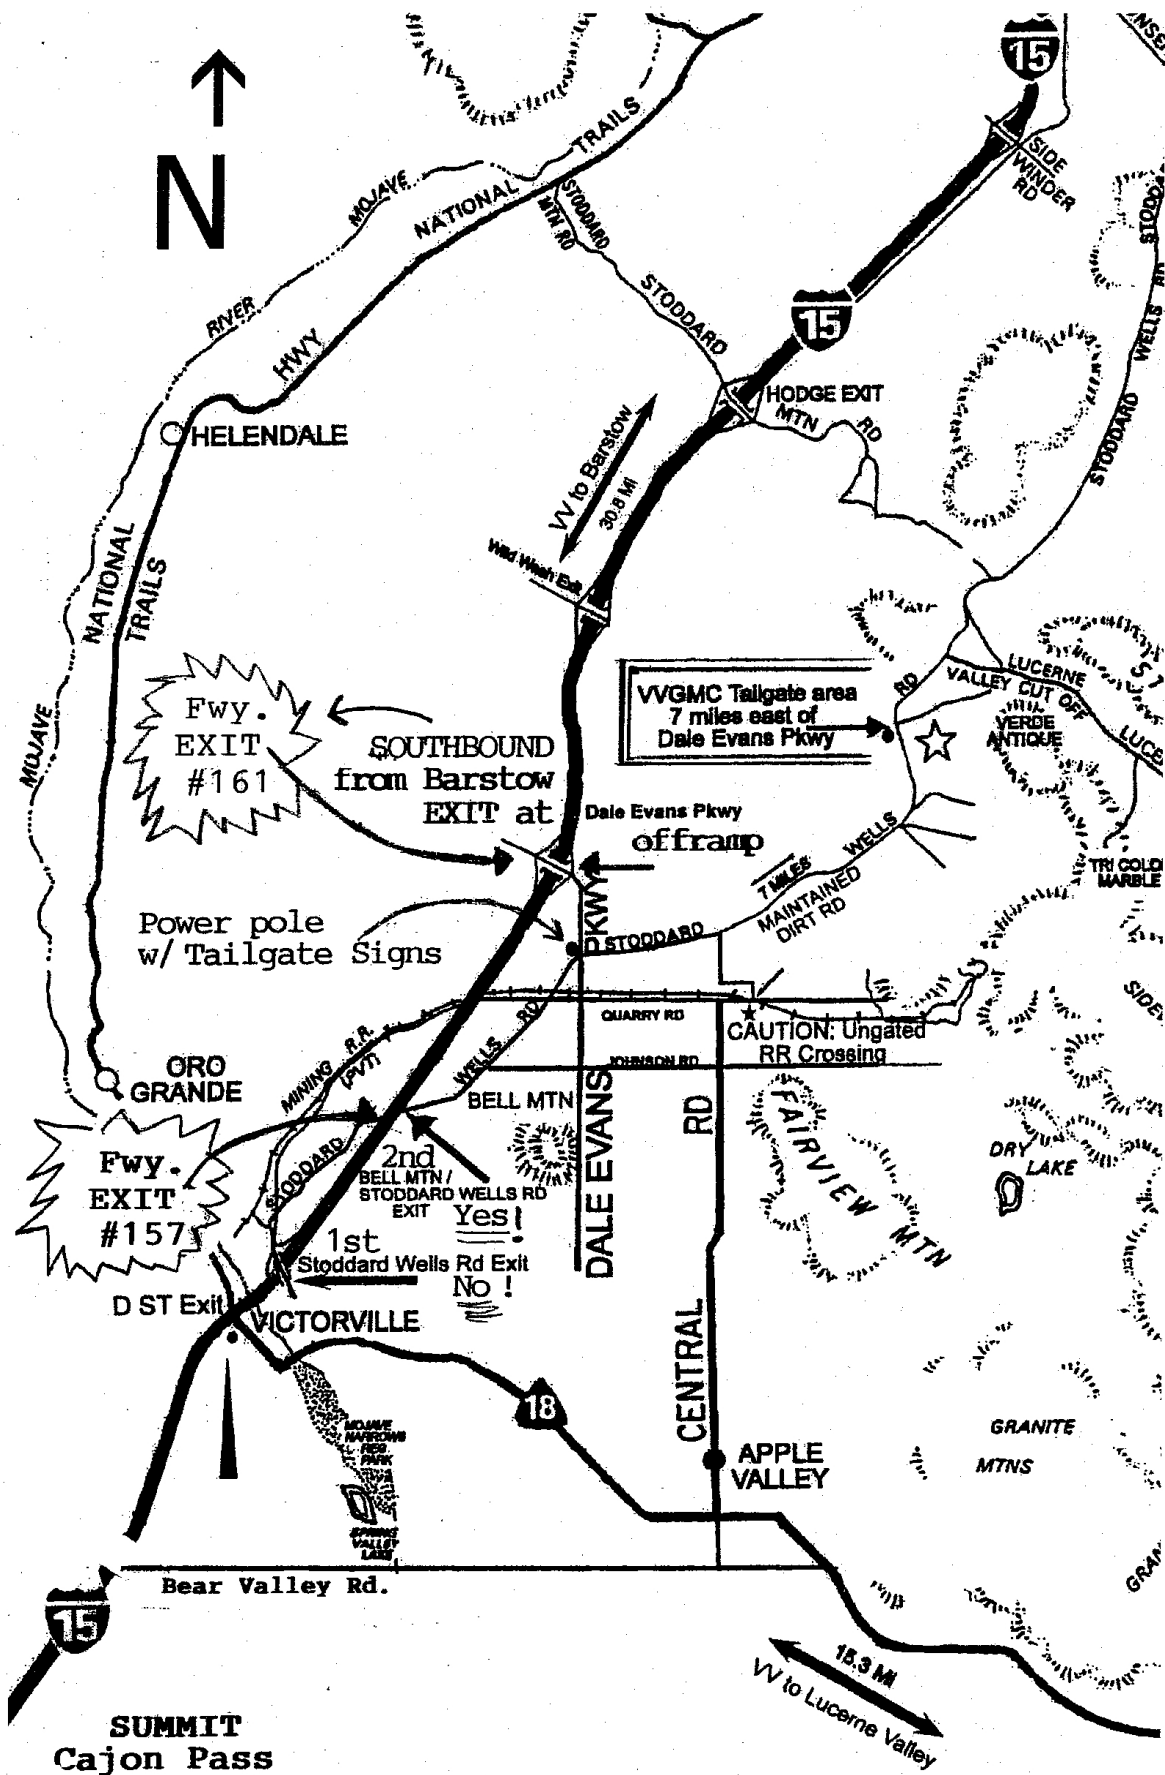

Stoddard Wells road becomes a graded dirt road for seven miles to the TAILGATE from the Dale Evans Parkway intersection and can be easily handled by motor homes and trailers. You cannot miss the tailgate – it's as if a large RV park has sprung up in the middle of the desert.

Green and Yellow Victor Valley Gem and Mineral Club signs will mark the route to the camping area.

Hope you can attend! Rain or shine, we will be there! Pets must be on a leash or in a RV at all times.
