This year our Club lost three outstanding members. They are truly missed by all!

2016 NEW LIFETIME MEMBERS

TOM LAZZLO

Tom Laszlo has been a member of our club since August 2002. During this time, Tom has held several key positions in this club. He served as President for two years, 1st Vice President, Instructor, and Maintenance. Tom has been very involved with many of the club's functions such as helping with the Tailgate, Gem Show and Picnics.

As one of maintenance team, Tom helped and repaired club equipment. Tom kept the equipment repaired and in safe operating condition for our members to use and enjoy. He kept the repair records up to date and made sure that we were not spending unnecessary money on the equipment.

Tom was an instructor that instructed many of our members on the proper use of the club's equipment. Even though Tom has not been as active in the past few years, the Board has recognized him for all that he has done for the club. Tom Laszlo thank you for your dedication to this club and congratulations on becoming one of our lifetime members.

FRANCIS AND MARIE GRAMATA

Francis and Marie Gramata have been members in good standing since January 2001. For many years Francis and Marie have been an important part of our club. They have been responsible for deep cleaning our club's kitchen and different shop rooms.

Marie was our Sunshine Person for many years. She provide cheer, love and concern when our members needed it the most. She often paid for the greeting cards and stamps out of her own pocket. Marie held this position until her health would not allow her to continue. Presently, many of our members have heard her sweet voice when she call us to remind us of upcoming events. She also served as chairperson on the By-law committee.

Francis has helped our club in many ways also. He was our club photographer for a time. He also helped with the silent auction for the Tailgate and Gem Show. Francis also was part of the Phone Tree and assisted his wife in making many of the phone calls. Francis helped with maintenance of our club's equipment and facilities over many years.

The board recognized both Francis and Marie for all that they have done for this club. Lets thank them both for all their dedication and welcome them as two of our most recent lifetime members.
