Safety Rules

CLUB

- Eye Protection (Safety Glasses (must be worn when operating machinery.
- Oil spillage must be cleaned up immediately
- Use caution when walking on the slippery wet floor. Always walk behind the mop.
- Notify the instructor on duty immediately of any unusual occurrence or if you need assistance for any reason.
- Children must be supervised and controlled at all times.

FIELD TRIPS

Note: you must turn in the roster and the waiver before we begin our field trip.

- Equipment: Always take drinking water – lunch or snacks – proper shoes – head cover – gloves – tool for digging – water and a spray bottle to wet rocks – and a bucket or rock bag.
- Keep one or more of your group within eye site, you can get lost or hurt and no one would know where you were.
- Do not go into caverns, holes or mine shafts, use caution around loose rocks or shale. There is always the possibility of a rockslide or cave-in.
- If you are uncertain about anything, ask your Wagon Master.
- Watch out for wild life, snakes, scorpions, etc. Always be aware of pending danger.
- Parents or guardians are responsible for their children's safety. You should be aware of where they are and what they are doing at all times.
